On 11/30/17, I was assigned SFPD CASE #170-965-489, CYBERTIP #25390444 that was reported by the National Center for Missing and Exploited Children (NCMEC) by Tumblr.

Tumblr (stylized on its home page as tumblr.) is a microblogging and social networking website founded by David Karp in 2007, and owned by Yahoo! since 2013. The service allows users to post multimedia and other content to a short-form blog. Users can follow other users' blogs. Bloggers can also make their blogs private. For bloggers, many of the website's features are accessed from a "dashboard" interface.

Tumblr reported the following:

On 11/08/17 at 21:12:00 UTC a Tumblr with the user name **chaz2076** with the IP Address of **162.238.124.187** utilizing the email of [REDACTED] uploaded the filename: **78180748604.jpg** to their Tumblr blog address of **chaz2076.tumblr.com** in early part of 2014, beginning in February.

I reviewed the image (filename: **78180748604.jpg**) and it is described as follows:

The image is of a fully nude female child between the approximate ages of 9-12. The female child is sitting upright on her buttocks with her legs spread exposing her breasts and vagina to the camera while her left hand rests behind her head and her right hand is on the ground supporting her seated position. The photograph appears to have been taken in an undisclosed, outside wooded area.

I conducted an online search for **chaz2076.tumblr.com** and discovered several archived images of nude underage teenage males exposing their genitals that appeared to have been uploaded to Tumblr by **chaz206** to another Tumblr user's blog in 2014.

I then authored search warrants to Tumblr.com and Google Inc. for all account information, including but not limited to email addresses, passwords, subscriber information, IP logs, methods of payment, communications, telephone numbers and other contact information for **chaz2076.tumblr.com** (Tumblr username) and [REDACTED] (Google user account) for the dates of 01/01/2014 – present date.

On 12/11/17, both search warrants were reviewed and signed by the Honorable Judge Torpoco, Superior Court, City and County of San Francisco, Department #14. I subsequently served Tumblr and Google their respective search warrants.

On 12/18/17, I received results pursuant to my search warrant from Google Inc. for the Google user account [REDACTED] which listed [REDACTED] as the phone number associated with the account. I conducted an Accurant search of the phone number and confirmed the carrier is AT&T Wireless.

Further review of the Google results revealed recorded chats in the zip file titled **rxxcofield.Chats.zip/Chats.html**.

The chats appear to have occurred in Google's communication platform, Google Hangouts. Google Hangouts includes instant messaging, video chat, SMS and VOIP features. The DEFENDANT and "John", who states he's 14 years old, engage in a sexually explicit conversation. The below listed chat is an excerpt from a chat beginning on 08-17-2015.

FOR THE PURPOSE OF THE CHRON, DEFENDANT'S RESPONSES ARE IN **BOLD**;

I conducted a records check of the above listed phone number and found that it was associated with a Facebook page <https://www.facebook.com/ramon.cofield>

The Facebook profile user name displayed "Ramon Ray." This individual listed his employment as the "Regional Manager at Janico Building Services" and he currently resides in San Francisco but was from Virginia Beach, Virginia.

Sgt. Servat conducted a criminal history check through CLETS and advised me that a hit for Ramon Cofield, DOB [REDACTED], SF#592096, is a convicted sex offender for 288(a)PC. Upon further review of Cofield's criminal history results, I observed Cofield's place of birth is listed as Virginia and "Janico" is listed in the employment field in his 290PC sex offender registry information.

Further review of the Google results also revealed numerous photographs of underage male and females exposing their genitalia, and some of the boys had erect penises. Based on my training and experience, I estimate the boys are between the of 12-16 years old and the girls are between the ages of 12-15 years of age.

Therefore, I am requesting to search AT&T Wireless, Subpoena Compliance Center for all account information, email addresses, passwords, subscriber information, and methods of payment associated with the target phone number [REDACTED]. I believe the target phone number is associated with Ramon Cofield, who, based on the above stated information, committed the following a violation of 311.11(a)PC - possession of child pornography.

**AFFIANT** based on training and experience and the information supplied in the affidavit, is of the opinion that the items described are currently located at the above premises.

**AFFIANT** states and declares that she has disclosed and provided the Office of the District Attorney as a part of this application for this search warrant and the Court reviewing this affidavit, all known material facts, whether favorable or unfavorable to either side, including all information which may be exculpatory, and that said information is contained herein. **AFFIANT** swears the information in this document to be true to the best of her knowledge.

The focus of this investigation, in its current state, is to identify and arrest the suspect guilty of the above listed felonies. Based on my training and experience I believe if any notification is given to the target, and the target is the primary suspect, it will lead to the destruction of any and all evidence of the possession and distribution of child pornography to deter law enforcement. In the event that the suspect(s) is manufacturing child pornography or is a hands on offender, it is imperative that he/she is not be made aware of the existence of this warrant or investigation as it may lead to intimidation, endanger the physical safety or life of any victim/witness(es) to which the suspect(s) has access.

Pursuant to the delayed notice provisions of Penal Code §1546.2(b), an order is further requested, delaying any notification to the target about this warrant, for a period of ninety days. Providing prior notice to the target in this matter may have an adverse result such as endangering the life or physical safety of an individual, lead to flight from prosecution, lead to destruction of or tampering with evidence, lead to intimidation of potential witnesses, or otherwise seriously jeopardize the investigation.

All information obtained through the execution of the warrant that is unrelated to the objective of the warrant shall be sealed and not subject to further review, use, or disclosure without a court order.

I request that a Search Warrant be issued based upon the aforementioned facts, commanding the search of the person, premise(s) or vehicle(s) designated above for the property or things described, or any part thereof, and that such items or property be brought before this magistrate or retained subject to the order of the court pursuant to Section 1536 of the Penal Code.
